

Austin Days 2023 Information

Join us at our 2023 Austin Days, as we make our voice heard at the Texas Capitol. We will be asking legislators to support the elimination of copay accumulator adjusters, elimination of non-medical switching practices, and sharing our stories and the importance of access to care. Informational folders with important access issues will be provided for you to leave with your legislator.

When: March 1-2, 2023

Please plan to arrive in Austin by 4 PM on March 1. We will have a Welcome/Training Dinner that night. We will schedule meetings at the Capitol for March 2, with most being done by about 2 PM.

Lodging: We will provide a hotel room for the night of March 1st. Hotel Details will be sent to all participants.

Dinner: Location of dinner and training is TBD. We will get that information to you after registration.

We will also be having a pre-legislative day webinar/conference call series, beginning on January 18th. This 6 week series will be held each Wednesday at 7:30 PM. (1/18, 1/25, 2/1, 2/8, and 2/15). This will be a chance for us to share some basic information so you will be prepared when you arrive on March 1st. Times and login information will be sent out after you register.

Space is limited, so please send your registration in early. Hotel rooms are first-come, first-serve. If you live in Austin and want to participate but do not need a hotel room, please let us know on the registration form.
